

## *Design a Sweater Materials List:* Rebekah Younger

- ❖ One knit garment that you have made and/or designed for show and tell
- ❖ Knitting needles in a wide range of sizes
- ❖ Crochet hooks (in a variety of sizes)
  - Yarn of varying weights and fiber content for experimenting (*especially those yarns you've been storing that you are not sure what to make of them*)
  - Scissors
  - Tape Measure
- ❖ Knitter's graph paper (you can Google this and print out a variety of sizes online)
  - Colored pencils
  - Calculator
  - Knit Bobbins (optional for color work)
- ❖ Stitch holders (optional)
  - Cable needles or double pointed needles for textured stitches (optional)
  - Knit Stitch Encyclopedia for pattern stitch ideas
- ❖ Notebook

Please bring to the first class one garment you have made (it does not have to be your own design) *and* one sweater you have that does not fit properly (does not have to be one you knitted or designed.)
