Click on *Products*

Click on *Warm Windows* and find the link to download the PDF booklet,
"Shades of Comfort"

Read *How to measure your window* on page 7 of booklet.

Supplies

- Warm windows fabric: purchase by window width not vertical measurement
- Fashion fabric for face of shade
- Matching thread (prefer Guttermann's)
- 1"x2" mounting board to fit window shade width
- 2 to 4 2" mounting screws
- Cord: use page 28 of booklet to determine correct amount
- Pulley - locking or standard (cleat needed)
- Screw eyes
- Rings - brass or plastic

OPTIONAL

- 3 1/2" magnetic tape
- Continuous magnetic strip
- Hook and loop tape
- Weight bar
